Bev Banker, Karen Tanner : Sillysongs: For Phonology and Sound Awareness before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sillysongs: For Phonology and Sound Awareness:

0 of 0 people found the following review helpful. Great for ECSEBy CustomerLove this book, great little songs, and activities to go along with each song. I would love to have this same book with the suggested melodies already printed as well.It only offer the suggested song titles no music, some songs I didn't know. I have to go to another book to get the music. Sure we don't need the music, but my speech kids love to sing with my guitar or piano. It was such a surprise when one of my students could sing a complete sentence with much better articulation than in conversational speech.
