**Marjorie Schaub Di Lorenzo MT(ASCP)SH, Susan King Strasinger DA MT(ASCP) : Skills for the Patient Care Technician** before purchasing it in order to gage whether or not it would be worth my time, and all praised Skills for the Patient Care Technician:

0 of 0 people found the following review helpful. GreatBy NikkiGreat book for the aspiring PCT!3 of 3 people found the following review helpful. Good Book for my National certification exam NCCABY JIMMYi just recived my book few days a go and its pretty good, the pictures,explanation and very concise book, i am using it to prepare for my national exam to be a certified patient care technician by national certification career association NCCA exam, i think this is the only book in the market for patient care skills which is a huge advantage. definitely worth a buy0 of 0 people found the following review helpful. old bookBy harley7I have this book and it teaches you the basics but thats it. it wont help you pass the NCCT. your gonna need a whole lot more referance to pass that ncct thats all i can say

Skills for the Patient Care Technician provides entry-level health-care employees with a comprehensive tool to become multiskilled.
