**Andy Landis : Social Security: The Inside Story, 2012 Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Social Security: The Inside Story, 2012 Edition:

6 of 6 people found the following review helpful. Absolutely fabulous!!By AudreyMy husband ordered this. He's the "investment guy" in our household and he knows more than most professionals in the field because he's been continuously studying finance-anything for over 40 years because he loves to. This book gave information he had not found anywhere else and now that he's 62, we want to know exactly what our benefits are. We have an adult disabled son and this book explained some critical information that even our attorney did not know (or failed to tell us) that could affect SS benefits (in a positive way) if our son's disability is deemed severe enough for the special rules.3 of 3 people found the following review helpful. Great ResourceBy John ReplingerWhen I purchased this book I was anticipating working for two or three more years but wanted to know my options. Six months later I was laid off. This book prepared me for detailed discussions with the Social Security staffer, Because I'd studied, not just read, the book, I was able to ask all the appropriate questions, verified information, and made my decisions on collecting Social

Security at my one and only visit to the SS office. Maybe I'd have arrived at the same decision, but Landis' book was a Great Resource. I've recommended it to friends and relatives. 2 of 2 people found the following review helpful. This book did not answer all my questions and I ...By GHWellsJr. This book did not answer all my questions and I found that visiting a SS office was more important anyway. The people there already know the inside story and they want to help. They just won't make any decisions between your various options.

Social Security and Medicare form the bedrock of your future financial security. You paid for them; now learn how they work for you! **SOCIAL SECURITY: THE INSIDE STORY** is detailed. Comprehensive. User-friendly. Previous editions were hailed as the best resource on Social Security and Medicare. This new 2012 edition is completely updated and expanded with web links, "Reform Notes," "Tips For Success," and a totally revised Medicare chapter. The author's expertise is unmatched, with over 30 years' experience as a consultant, speaker, and former SSA representative. Learn from dozens of examples how Social Security works for you and your family. Gain insight from charts, figures, and tables that clarify key provisions. Discover the hidden "Inside Story" of the program. Get the facts about Social Security's future sustainability. This is the proven resource for taxpayers, retirees, financial advisors and HR professionals—the essential guide for everyone with a stake in Social Security.

Library Journal This clear, comprehensive guide ensure[s] accuracy and clarity on a highly complicated subject. Contents [include] a sample retirement computation and a valuable glossary. Explanations are straightforward and accessible, while subheadings, bulleted lists, sidebar explanations, italicized terms, clarifying charts, and notes on potential reforms facilitate understanding. **VERDICT:** Well organized, clear-cut, and eminently readable, this information-rich guide will make eligibility and application issues significantly less daunting for retirees and survivors and their consultants. **About the Author** Andy Landis is a nationally-known author, speaker, and consultant specializing in Social Security, Medicare, and retirement lifestyle planning. Andy has worked since 1977 with pre-retirees and retirees at Social Security, AARP, a retirement residence, senior centers, Weyerhaeuser, and his own practice, Thinking Retirement. Through Thinking Retirement, Andy conducts Social Security, Medicare, and retirement seminars for the public, Fortune 500 firms, public employers, labor groups, the American Institute of CPAs, the Financial Planning Association, and others. In addition to Social Security, The Inside Story, he has authored professional training courses for the College for Financial Planning and the American Institute of CPAs, and numerous articles for professional journals and the public. He appears on television and radio. He also served as the Washington State chapter president of the International Society for Retirement Planning. Recent projects include leading Thinking Retirement webinars, contributing to the web video Investment Smarts for PBS and AARP, and completing training as a Certified Life Options Retirement Coach. Andy lives in Seattle with Kay, cat, corgi, keyboards, camper, computers, cars, and sometimes kids. Follow Andy and Thinking Retirement on FaceBook.
