**Gregory L. Weiss, Lynne E. Lonquist : Sociology of Health, Healing, and Illness** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sociology of Health, Healing, and Illness:

0 of 0 people found the following review helpful. Needed for my college class.By Gary K.I needed this book for a class so I didn't have much choice but to get it. Had a lot of info, so was worth the cost.0 of 0 people found the following review helpful. Five StarsBy alexandraCame as expected!0 of 0 people found the following review helpful. Five StarsBy B. StewartBook was as discribed with fast delivery.

A comprehensive presentation of the major topics in medical sociology. The Sociology of Health, Healing, and Illness,

8/e by Gregory L. Weiss and Lynne E. Lonquist provides an in-depth overview of the field of medical sociology. The authors provide solid coverage of traditional topics while providing significant coverage of current issues related to health, healing, and illness. Readers will emerge with an understanding of the health care system in the United States as well as the changes that are taking place with the implementation of The Affordable Care Act.

About the Author Dr. Gregory L. Weiss is Professor of Sociology at Roanoke College where he teaches courses on medical sociology, ethics and medicine, Native Americans, and research methods. He has led student study tours to Great Britain, Luxembourg, Australia, and to the Navajo and Hopi reservations. Dr. Weiss is author or co-author of three books and more than three dozen journal articles. He works with a variety of local community organizations including a free health clinic and the SPCA. Dr. Weiss has received teaching awards from Roanoke College, the State Council of Higher Education in Virginia, the ASA Section on Teaching and Learning, and the Southern Sociological Society.
