John E. Upledger : Somato Emotional Release: Deciphering the Language of Life before purchasing it in order to gauge whether or not it would be worth my time, and all praised Somato Emotional Release: Deciphering the Language of Life:

Developed by the author, Somato Emotional Release is a technique for bringing psychotherapeutic elements into CranioSacral therapy. It helps rid the mind and body of the residual effects of trauma by anatomically freeing the central channel of the body. John E. Upledger presents the history, theory, and practice of this subtle form of healing. A result of meaningful, intentioned touch, Somato Emotional Release allows for identification and removal of energy

cysts along with their associated emotions.
