Sam Slick : Spanish for Optometrists before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spanish for Optometrists:

3 of 4 people found the following review helpful. Book is mediocre By An shopper Gives you the bare basics for optometry words in Espanol. Some of the stuff I wanted wasn't in the book. A huge disappointment: the book is way over priced and is printed in black and white: boring! So don't expect too much. Haven't used the CD yet but maybe it is useful? 0 of 0 people found the following review helpful. Could we talk about how this book costs \$5, ... By Kindle Customer Could we talk about how this book costs \$5,000? Does it include a month long trip to Mexico? If so it is a steal.

At last, the nationally-acclaimed occupational language programs from Command Spanish that are used by the U.S. Government, Fortune 500 companies, and professional associations are now available to the general public! NO

PRIOR KNOWLEDGE OF SPANISH NEEDED!!! Spanish for Optometrists allows optometrists and their staff to communicate with and better assist their Spanish-speaking patients, allowing for a more advanced and wider reaching practice. With over 300 Spanish language commands, statements, and questions, this is the most thoroughly researched and used training book of its kind. Using the input of practicing optometrists and native Spanish-speakers you can be sure of the material contained in this book. **SPANISH FOR ADULT PROFESSIONALS!!!** This book and two CD set help optometrists and their staff; welcome and receive patients; use common expressions to guide a conversation; collect personal, medical, and insurance information; conduct a primary assessment; perform an optometric eye exam; discuss diagnoses and treatments; provide assistance to children and their parents; and much more **NO GRAMMAR!!!**

About the Author Dr. Sam Slick is a professor of Spanish and former chairman of the Department of Foreign Languages at the University of Southern Mississippi. He holds B.A. and M.A. degrees in Spanish from Illinois State University, and a Ph.D. in Spanish from the University of Iowa, as well as diplomas from the Ibero-American University in Mexico City, and from the University of Madrid, Spain. He is a specialist in language acquisition.
