Jack Rudman : SPEECH AND LANGUAGE PATHOLOGY (National Teacher Examination Series) (Content Specialty Test) (Passbooks) (NATIONAL TEACHER EXAMINATION SERIES (NTE)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised SPEECH AND LANGUAGE PATHOLOGY (National Teacher Examination Series) (Content Specialty Test) (Passbooks) (NATIONAL TEACHER EXAMINATION SERIES (NTE)):

7 of 7 people found the following review helpful. OUTDATED By Karisa R. Mcallister This book was written several years ago (I think 1991), and the speech pathology field has changed/improved a LOT since then! The questions and

answers were wrong in many cases. This book should not be in circulation! It won't help you with your Praxis studying.

The National Teacher/Praxis Examinations (NTE) are designed to provide objective measurements of the knowledges, skills, and abilities required of teachers. The test results are then used for teacher certification - initial, qualifying, validating, statutory, incremental, promotional, and/or supervisory.

About the AuthorNational Learning Corporation has been publishing the PASSBOOK series of test preparation books for 40 years. Those preparing for a civil service or vocational licensing exam can find the test preparation guide they're looking for in the Career Examination Series. Professional licensing titles may also be found in the Admission Test Series, pp. 61-63. The General Aptitude Series on page 60 provides intensive preparation to supplement your study in areas common to many examinations. Our research department is available to help you find the right book(s) you need for your exam(s). Our PASSBOOKS follow closely the format and content of the "real" examination, with hundreds of questions and answers. Each book is 8 1/2" x 11" in paperback (plastic bound) and lies flat for ease of use. Hardbound editions available as special order at additional charge; please inquire.
