book is perfect for my job as a ward clerk. Now I don't have to ask the nurses what something is. Interpreting the doctor's handwriting though... I purchased a used copy, and it's in excellent shape. 3 of 3 people found the following review helpful. A Must-Have for any MTE! By Shadowsmom42 I purchased this book used for only a few dollars. Whether you purchase it new or used, I would highly recommend it to any MTEs out there. I have found it to have any abbreviation, acronym symbol I look for. 4 of 4 people found the following review helpful. Great For Medical Coders! By T. Broach I bought this book as a gift for a newly certified medical coder....she has found it to be well-organized and very useful as an ancillary aide to her daily work routine. I would highly recommend it to other new coders.
