Stedman's : Stedman's Medical Speller (Stedman's Word Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Stedman's Medical Speller (Stedman's Word Books):

Stedman's Medical Speller, Fourth Edition contains updated medical terminology of many medical specialties needed by medical transcriptionists, medical transcription students, medical writers and editors, and court reporters. Like all of Stedman's wordbooks, the Medical Speller is organized in A to Z format, and is fully cross-indexed for quick and easy access to terms and phrases.
